DEMAND XV—JAILS.

MR. PUTHUPALLY S. KRISHNA PILLAI: Sir, I rise to move for a grant of Rs. 260 under Demand XV Jails. The Jail Rules now in force were framed as early as 1094. Those Rules were based on the then existing Madras Jail Rules. But subsequently Madras Jail Rules were revised. A Jail Committee appointed in British India has submitted a report and on the basis of that report various changes were made in the Madras Jail Rules. We have also found it necessary to make proper changes in our Jail Rules For this purpose one clerk and a typist had to be deputed from the Secrtariat and a small remunerttion is proposed to be given to them and the deputy Jailor who are put in charge of this work. The Committee have already sat on two or three occassions and some work has been done. It was not possible to make this provision when the budget was presented last year.

The question that Government be granted a sum of Rs. 260 under Demand XV Jails was put and carried.

The demand was passed and the grant was made.

DEMAND XVI –POLICE.

KHAN BAHADUR RAJYASEVAPRAVINA G. S. ABDUL KARIM SAHIB SUHRAWARDY: Sir, I rise to move for a grant of Rs, 3,340 under Demand XVI Police.

The present Reserve Police is located in Oolampara where the lepper colony was located before. When we took charge of the buildings they were in a very bad condition and necessary repairs had to be done. The kitchen also was not in good condition. As far latrines we were using thatties and during the last weather they all come down and practically the latrines are open. So I wrote to Government to provide a kitchen and some latrines. I could not find enough money from the present year's allotment. Therefore I had to ask Government for this additional amount. It is an urgent demand and I come up to the House to pass this amount.

The question that Government be granted a sum of Rs. 3,340 uner Demand XVI Police was put and carried.

The Demand was passed and the grant was made.
